"MOVE A MOUNTAIN" (Greg Mungan)

We can move a mountain.
Just you wait and see.
See what we've in common,
Love follows naturally.

They came to pray upon our land
And said they had "the book."
Our eyes closed in humility,
It's our land that they took.

Nation states see black and white,
But don't turn blue on me.
I need your heart, not your gun
To show me what will be.

Hunger makes the newest slaves.
Drowned in a patriotic wave.
The cries of inhumanity.
Let's end all this insanity!

"FEAR!" (Matt M.)

I hear you spewing out your views
In defense of a system that's destroyed you.
I can't take it anymore, but I can't get away
from you.

I can't take your hopeless views
And I can't take your attitudes.

Sometimes you make me want to cry.
What else can I do, but laugh?
Sometimes you make me want to KILL.
Every view you work from comes from
Nothing, but GREED, HATE, LIES,
FEAR!!!

You tell me what a cruel world it is
As if it were some kind of news.
You say it's reality, the way that it will
always be.

You for you, me for me
Don't apply your shit to me!!!

Sometimes you make me want to cry
What else can I do, but laugh?
Sometimes you make me want to KILL.
Every view you work from comes from
Nothing, but GREED, HATE, LIES.
FEAR!!!

Wish I could take you, bend you, shape you
Into someone who's mind is free.
Wish I could make you see through my eyes
And realize you live in slavery!!!
Wish I could make you realize
That the differences are of CLASS,
Not the color of your skin
Or the borders you were born within.
You say it's reality, the way that it will
always be.

You for you, me for me,
Don't apply your shit to me!!!

Sometimes you make me want to cry...

"IMAGINE" (John Lennon)

Imagine there's no heaven.
It's easy if you try.
No hell below us.
Above us only sky.
Imagine all the people
Living for today.

Imagine there's no countries.
It isn't hard to do.
Nothing to kill or die for
And no religion too.
Imagine all the people
Living for today.

You may say I'm a dreamer,
But I'm not the only one.
We hope someday you'll join us
And the world will live as one.

Imagine no possessions.
I wonder if you can.
No need for greed or hunger,
A brotherhood of man.
Imagine all the people
Sharing all the world.

You may say I'm a dreamer,
But I'm not the only one.
We hope someday you'll join us
And the world will live as one.

Dear friend,

Thanks very much for your interest in SCRAM! and your support in buying our tape. We hope you enjoy our music and we hope you share our concerns of today, lessons from yesterday and hopes + goals for tomorrow.

SCRAM! is a band because we love music and because we have a lot of feelings and ideas that we want to share with you. We wish to inspire the idle and to offer support and a sort of bond to those already committed to trying to make the world a better place, on whatever level, and hopefully on a number of levels.

In the title of our tape, We Hope Someday You'll Join Us!, SCRAM! urges you to be political. If you hate to be and to see others walked on; if you hate racism and sexism; if you hate the fact that there are people starving while others live in excess; if you hate the fact that in "their" system(capitalism) most people are enslaved in jobs they hate because they have to survive, then you should stand up and fight these evils. You're not alone and this is OUR WORLD!!! It's everyone's world and it's up to us to at least TRY to make it better. Even if we don't win, we'll have integrity and we'll know we've done our part. There's winning in the fighting.

To those thinking "yeh, yeh, yeh, I've heard this all before," I hope you are doing something to make a difference. To everyone who is working for positive change wether it's political, inside yourself, or in how you treat others, THANK YOU and please never stop TRYING.

One Love, One Class,

SCRAM!
